RECRUITING FOR BUSINESS

Our Core Values Underpin Everything We Do.

Innovation

Means that we employ our skills, intelligence, market knowledge, our databases and the latest technology giving our customers the confidence that we will deliver on our promises to perform.

Integrity

Means that we commit to go about our business legally, confidentially, ethically and in compliance with our industry codes of best practice. This compliments or enhances our customers business reputation and minimise problems in recruitment.

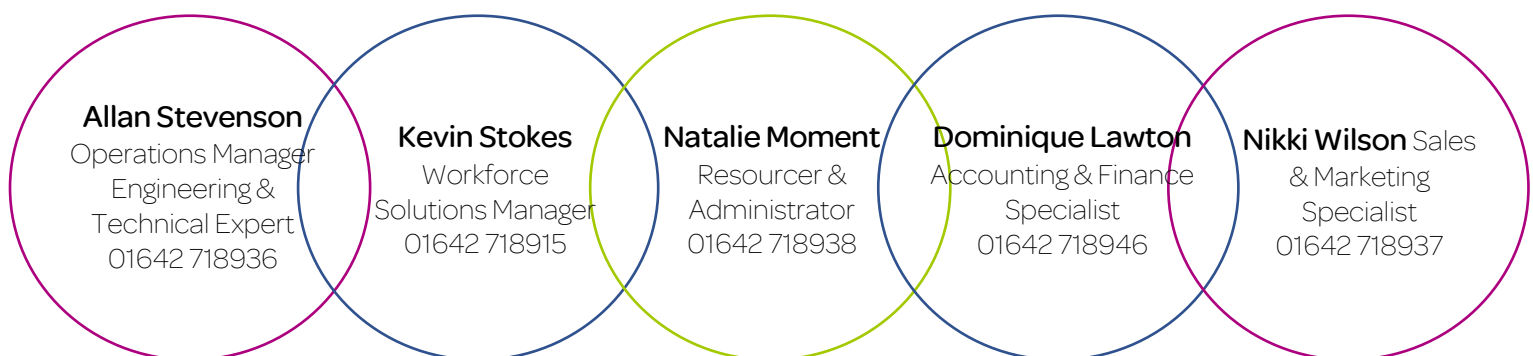

Teamwork

Our team functions at its best whilst working in partnership with our employers, our candidates; and it ensures that our customers receive an efficient and reliable recruitment performance.

Respect

We respect all people and all things, and we strive to earn the respect of others, especially of our customers, our candidates and our peers.
