Your Local Recruitment Service

Why choose MSS People to Represent You?

- Our recruitment team are professionally trained and accredited specialists in their individual sectors, which means that you have the comfort of knowing that you will receive a carefully targeted, legally compliant, and ethical recruitment service.
- We are a local business with an international reach, which means that you will receive a personal service with access to local, regional, national and international vacancies.
- Staying true to our **core values** enables us to build long term and mutually rewarding relationships with our candidates, which means that you will receive recruitment service that is dedicated to you.

Innovation

Means that we employ our skills, intelligence, market knowledge, our databases and the latest technology giving our customers the confidence that we will deliver on our promises to perform.

Integrity

Means that we commit to go about our business legally, confidentially, ethically and in compliance with our industry codes of best practice. This compliments or enhances our candidate experience and minimise problems in recruitment.

Teamwork

Our team functions at its best whilst working in partnership with our employers, our candidates; and it ensures that our all receive an efficient and reliable recruitment performance.

Respect

We respect all people and all things, and we strive to earn the respect of others, especially of our customers, our candidates and our peers.
